Sir,

Subject - Proposal of the Sagar Town Municipal Council for payment of remuneration at 0-1-0 per case of vaccination to one K Srinivasachar - Retired Vaccinator -

In forwarding herewith in original correspondence received from the President, Sagar Town Municipal Council - Vide his letter No C 167/45-46 dated 23rd October 1946 in the matter of payment of remuneration to one K. Srinivasa char for having performed vaccination cases in Sagar Town during February 1946, I have the honour to state as follows

The Municipal President, Sagar states that on receipt of a letter from the Director of Public Health in Mysore, Bangalore in the matter of making arrangements to start the mass vaccination drive to protect all unprotected people against the apprehended outbreak of small pox during the last summer season, necessary action was taken by him to start the mass vaccination campaign in Sagar Town by employing one Srinivasachar, a Retired vaccinator

The intensive vaccination work is reported to have been started from 2-3-1946 In all 3069 persons are reported to have been vaccinated The question of payment of reward to the vaccinator for his work in this connection was considered by the Municipal Council at their meeting held on 30-4-1946, when a resolution was passed to the effect that the vaccinator might be paid allowance of the rate of one anna per case of vaccination

The total expenditure on this account works out to Rs 191-13-0 and it is proposed to meet the expenditure in question from out of the sum of Rs 200/- provided under the head E 3 (1)(1)- Vaccination Establishment in the current years (1946-47) sanctioned Budget of the Municipality

P t o

I may state in this connection that payment of a similar allowance during the year 43-44 had been sanctioned by Government in their order No L 1706-7/M1 9-44-12 dated 16th August 1944

In the circumstances I request that sanction of Government may kindly be obtained to the proposal of the Sagar Town Municipal Council for payment of remuneration at one anna per case of vaccination performed by Srinivasachar, retired vaccinator in Sagar Town as explained above

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Shimoga District

Memo

With reference to your letter No. 11 dated 27th Feb 47 calling for additional particulars on the above subject, I have the honour to forward herewith original letter with its enclosure received from the President, Municipal Committee Ubauro (vide No. S.V.C.410/40-47 dated 18th April 1947) in order to state that the Municipal Committee reports that in all, the Vaccinator took three months time to vaccinate 3065 persons as stated in their letter dated 3065 cases, it is stated that from

January 46= 1900 cases
April 46= 772
July 46 = 307

only 1000 cases were successful

Total 3065

There is no whole time vaccinator in the Municipality. It is reported that the Sanitary Inspector of the Municipality would generally attend to vaccination operations in addition to his other duties in normal cases but in the present circumstances, the Municipal Committee state, these vaccination operations are to be reported to have been carried out by the Sanitary Inspector of the Municipality in accordance with the instructions issued by the Director of Public Health in Lyallpur, vide his No. S.V.C.410/45-46 dated 6th February 1947, which reads as follows:-

"Local bodies should submit their returns in duplicate one copy to be sent to the Deputy Commissioner and the other to the Executive Officer in charge of the Municipality."

The vaccinator should be employed by the Municipality and not by the Sanitary Inspector of the Municipality, as stated in the enclosure of the letter under reference.

The enclosure received with your letter under reference

ference are returned herewith for favour of reference
